

MEDIC SOLO Online WFA Certification

With Skills Scenarios Workshop (SSW) Online Day or Hybrid (in-person) Day

For successful completion of the course **everyone** will need:

☐ a **textbook**

☐ a Gmail address

Plus for **Online SSW only** (not Hybrid):

☐ a “patient” who is/will be ...another paying student; or a volunteer adult or child with solid attention span physically present with you during the whole SSW (can be two people/two shifts) and fluent in English.

☐ all items in the **Device and Gear List**, including needing to use a printer.

☐ strong, steady internet connection and reliable devices (camera, speakers, microphone, room lighting)

Note: you need to do Steps 1-5 in order!

1

Registration & Payment

Click below to register for:

- [All-Online](#) or
- [Hybrid](#)

(time: ~10 mins)

2

Watch Video Tutorials

Watch ~7 hours of video tutorials by MEDIC instructors. This is a **self-paced activity**.

(time: 7+ hours)

3

Complete Assignments

To become WFA-certified, Students must practice the skills introduced in the video tutorials and complete 4 assignments in Google Classroom. **Due the Sunday before SSW at 8am Eastern USA time ("ET").**

(time: 3+ hours)

4

Take Online Exam

The multiple-choice SSW multiple choice entrance exam goes live in Google Classroom on the Sunday before the SSW. It must be completed by the **Tuesday before the SSW at 3pm Eastern USA Time ("ET").**

(time: ~30 minutes)

5

Attend SSW

Participate in a **ONE FULL DAY workshop** (A) online in Gather.Town, or (B) in person. Your live instructor will guide you through several hands-on scenarios, further develop and assess your skills, and answer questions. **8:30am-6pm Eastern USA Time ("ET").**

(time: 9 hours + break)
